Poer Price Harriand Liv Co., Mice., Nov. 16, 1875.

Dr. Arre: Your Pills are the perfection of Medicine.

They have done my wife more good than I can tell you.

She had been tok and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her bedy. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two dones of your Pills, while others around me paid from five to twenty dollers doctors' hills, and lost much time, wi hout being cured entirely even then. Such a medicine as yours, which, is accusily good and honest, will be prized here.

LIVER COMPLAINT,

WEAKNESS OF ANY KIND, FEVER AND AGUE, And the various affections consequent upon a disorder STOMACH OR LIVER, TUCH AS Indigestion, Acidity of the Stomach, Colleky Pains, Heartborn, Los of Appetite, Despondency, Cos tiveness, Blind and Riceding Piles. In all Nervous Rheu-matic, and Neuralgic Affections, it has, in numerous in-

es, proved highly beneficial, and in others effected a This is a purely vegetable compound, prepared on strict ly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especial y for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the Ameoican public, knowing that its truty wonderful nedicinal virtues must be acknowledged. It is particularly recommended to those persons whose constitutions may have been in paired by the coatinuous use of ardent spir ts, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, rais ing up the drooping spirit, and, in fact, infusing new health and vigor in the system. NOTICE.-Whoever expects to find this a beverage will

be disappointed; but to the sick, the weak and low spirited, it will prove a grateful aromatic cordial, pessessed of singular remedial properties. CAUTION. The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Boerhave's Holland bitters a fair trial. One bottle will convince you how infinitely superior it is

PERPETUAL LIME KILIN.

This kills will burn four hundred bushels of himeStone (which, if good stone, is equal to one thousand
bushels of slacked lime) in twenty four hours, with four
cords of wood, and is nerpetual in its operation, the lime
being drawn once in three to six hours, from the base, and
replenished at the top of the cupots. This is but the ordinary every day capacity of the Kiln, as has been abunddinary demonstrated by those atready in operation. It
also makes much better time than that burned in the erdinary way, all the stone being perfectly burned.

Any number of reliable ceruncaies to the capacity of
the Kiln, and any other information in reference to it,
will be turnished, on application by letter or otherwise, to
the subscriber, who is agent for the sale of rights and putting up Kilns in the State of Tennessee.
